🧡 **Kasih Food Production Co is proud to have received two Accreditation Certificates.**

Kasih Food Production Co is proud to have received two accreditation certificates:
- ISO 45001:2018 for Occupational Health and Safety Management.
- ISO 14001:2015 for Environmental Management.

These certificates were awarded by SGS Jordan after ensuring that all international standards were met. This achievement reflects the company's full commitment to providing a safe and healthy work environment for its employees, as well as its respect for the environment and contribution to its preservation.

Obtaining these certifications reflects our ongoing commitment to quality and sustainable development in all our operations. At Kasih Food Production Co, we consider the health and safety of our employees a top priority, and we continuously work to improve the work environment and ensure the implementation of the best international practices in this field. Our focus on environmental management also demonstrates our dedication to reducing the negative impacts on the environment by applying effective environmental management systems, while ensuring sustainable use of resources.

We are always striving for excellence and quality by adhering to the highest global standards, delivering our products to customers with the utmost efficiency and safety.
